  - (b) If required by law or Governmental regulations, to file plans with and procure the approval of all Governmental agencies having jurisdiction over the work and, not more than ten days after receipt of such approval, to deliver to the Apartment Corporation a copy of every permit or certificate issued. If there is any doubt as to the need for such approval, the Apartment Corporation shall be the sole arbiter in resolving the doubt.

- (c) The Board of Directors has the right to approve the type and quality of work and to compel the removal of any work which creates a risk of loss or constitutes a dangerous, hazardous, or unsafe condition.
- (d) I shall provide insurance and indemnification as required in the "Unit Owner's Indemnification & Insurance Agreement".
- (e) If, after making any alterations or installing any equipment referred to herein, I shall:
  - (i) seek to exercise my right to terminate my Proprietary Lease pursuant to paragraph 35 thereof, I will, on your demand, but at my expense, restore the premises and equipment to their condition prior hereto, agreeing that compliance with this agreement shall be a condition precedent to the cancellation of my lease, or

- All precautions will be taken to prevent dirt and dust from permeating other parts of the building during the progress of the alteration. - 7. I will bear the entire cost of alterations and installations and pay all bills incurred in connection therewith, not later than thirty days after completion of the work. If any mechanic's liens be filed for work claimed to have been done or materials alleged to have been supplied, I shall cause such liens to be discharged within 30 days after such filing, whether or not I am ultimately responsible or liable for payment of same.
